

ICOONE FACIAL

Face Express Lift

30mins

Express lift to face contours, promote metabolism, improve cellular activity, and restore the skin's youthful vitality and radiance.

Firming Therapy

60mins

Stimulate the regeneration of collagen and elastin, tighten loose skin, and restore skin elasticity.

Face Replumping

90mins

Stimulate the regeneration of collagen and elastin, restore tissue compactness, reduce signs of aging, enhance brightness and elasticity in a completely natural and painless way.

Eye Care

30mins

Oxygenate and revitalize skin around the eyes, reduce puffiness, smooth lines, and restore the youthful radiance to eyes.

Face Add-on

10mins

Enhance the treatment effectiveness of targeted areas, and effectively improve skin problems.

ICOONE BODY

Body Shaping

60mins

Body contouring treatment that effectively eliminates stubborn fat deposits, restores a uniform and slim body shape, and a feeling of lightness and wellbeing.

Body Firming

60mins

Stimulate the regeneration of collagen and elastin in skin, instantly tighten the skin, resulting in a slimmer and toned body shape. Especially suitable for restoring elasticity and firmness after weight loss.

Cellulite / Stretch Mark Smoothing Therapy

60mins

Targeted treatment that significantly reduces cellulite, smoothes the skin, improves drainage and blood circulation, and restores a harmonious body shape.

Circulation Improvement

60mins

Promote lymphatic and blood circulation, firm and reshape the leg contours, and provide an instant feeling a lightness and wellbeing.

Awakening Therapy

60mins

Promote a deep relaxation of the body tissues, boost the release of endorphins, and create a sense of relaxation and wellbeing.

Body Add-on

10mins

Enhance the treatment effectiveness of targeted areas, and effectively improve skin problems.
