3/8/2025	11:00-12:00	Eyes on, Hands on! Interactive Picture Book Workshop	Sio Fong	The Talkative Stars	Let your children listen to a series of stories to learn about Macau's history, and teach them how to observe details in day-to-day life. In this story, a grandfather and his grandson take the audience back to centuries ago as they narrate an East-meets-West story set in Macau. Your little ones will be inspired to connect the dots and reflect on Macau's evolution. The picture book <i>The Talkative Stars</i> is published by the local theater group Dream Theatre Association.	5-10 years old	Cantonese
	15:00-16:00	Meet the Author – Instill a Love of Books	Yang Sio Maan	Mr. Matos Went to Buy Tomatoes	<i>Mr. Matos Went to Buy Tomatoes</i> features many scenes of street markets and urban elements in Macau. Lots of interesting finds for both children and adults! The book was included in the BRAW Amazing Bookshelf, an annual selection of 100 outstanding books. It will also be showcased at the Bologna Children's Book Fair, Italy, between April 8 and 11, 2025.	5-10 years old	Cantonese
	16:00-17:00	Eyes on, Hands on! Interactive Picture Book Workshop	Ms. Jane & Ms. Piggy	MR.Gumpy's Motor Car	Read the picture book <i>MR.Gumpy's Motor Car</i> . Start with a warm-up game featuring the nursery rhyme <i>Wheels on the Bus</i> . Using the colored drawing papers and drawing tools provided, children participants will draw the route of a ride in their memory or images of a ride in their imagination.	3-6 years old	Cantonese
	17:15-18:15	Drawing Time – Let Your Kids' Creative Juice Flow	Ms. Cindy	Meeting Spring	Awaking from winter hibernation, the twin bears Mark and Mata are curious about everything around them, especially the springtime described by their father. Apparently, the season is characterized by warm breeze, green leaves and colorful flowers. Most importantly, the air is sweet! With eyes open wide, the bears look forward to discovering spring. Will they get to feel the full force of the magical season? Game: Participants will create unique floral images by watering flowers on colored papers Handicraft: Flower windmill	4-8 years old	Cantonese
3/9/2025	11:00-12:30	Drawing Time – Let Your Kids' Creative Juice Flow	Miu Miu	The Passionate Crab	The story is about a friendly crab. Unlike his friends, crab likes to greet every new day with his dance and happy smile. But his friends find him weird and try to avoid him. One day, a big tide hits, affecting the lives of everyone. With his optimism and creativity, crab leads the community to navigate out of troubled waters. He has his friends realize that every person is unique. Eventually they find crab's passion and positive energy admirable. The story illustrates the importance of diversity and the opportunity for every individual to bring into play their unique value. It encourages children to find the courage to be themselves and to use their passion to bring positive influence to others.	3-6 years old	Cantonese
	14:00-14:45	Picture Book Reading and Sharing	Sio Fong	The Boy, The Mole, The Fox, The Horse	Four characters embark on an unknown journey. Some get hurt and decide to mince their words, others conceal their talents for fear of being isolated socially. On the quest for a place they can call home, the four animals find themselves on an exciting adventure. They long for love, and to their surprise, love has always been all around them. The message: Every tomorrow is an unknown journey in life. We have to deal with our own fear and sadness arising from the unknown. The characters in the picture book eventually learn to show their vulnerable side, accept themselves the way they are, and appreciate the precious friendship that they have. All these are part of life.	4-8 years old	Cantonese
	15:00-16:00	Picture Book Reading and Sharing	Ms. Irene	100 Ocean Secrets	Explore 100 ocean secrets through a picture book Covering various disciplines, including marine physics, ecology, technology and environmental issues, the picture book invites children to learn about a familiar subject: the ocean. They will explore the secrets of the deep sea, develop a scientific mind, and become more environmentally conscious. Get ready for a wonderful maritime journey.	5-10 years old	Cantonese
	16:15-17:45	Drawing Time – Let Your Kids' Creative Juice Flow	Ms. Irene	From Sand to Pearls	The picture story about a sand turning into a pearl conveys an important message: let us show more tolerance towards others, be genuine to our friends, and live with more courage. Shell painting - use clay, paints and other ingredients to draw.	5-10 years old	Cantonese
3/15/2025	11:00-12:00	Picture Book Reading and Sharing	Miu Miu	The Little Gecko Borrows a Tail	<i>The Little Gecko Borrows a Tail</i> is an interesting and educational picture book. It tells the story of a small gecko that loses its tail when exploring the world. In the process, it learns to accept its own imperfections. The gecko's adventure highlights the importance of courage and maintaining an optimistic outlook in the face of adversity. Children will also learn that gecko's tail regrowth is a natural. Through storytelling, interactive Q&A and more, they will be inspired and grow.	3-6 years old	Cantonese
	15:00-16:00	Picture Book Reading and Sharing	Daxiang	Pepper and Me	Have you ever suffered from physical injuries? How did that happen? Are you afraid of getting injured? <i>Daxiang</i> will have a philosophical dialogue with children. Let's read <i>Pepper and Me</i> together and find out what the kids in the story do when they get injured.	4-8 years old	Mandarin
	16:15-17:45	Meet the Author – Instill a Love of Books	Dr.Sio Nga Man & Ms. Piggy	那隻沒有被染成金色的蝴蝶	The simplified Chinese version of the picture book will take part in the Bologna Children's Book Fair. The activity will start with the warm-up game <i>Flying Butterfly</i> , followed by a reading session on the picture book. Children and their parents will paint butterflies together and set them free.	3-8 years old	Cantonese
3/18/2025	11:00-12:00	Picture Book Reading and Sharing	Miu Miu	Tooth Fairy and Tooth Monster	<i>Tooth Fairy and Tooth Monster</i> highlights the contrasting habits of Tooth Fairy and Tooth Monster. The fairy is a character that represents diligence and health, encouraging children to develop the good habit of brushing teeth regularly. The monster is lazy and a symbol for tooth decay. It reminds children of the bad consequences of not brushing teeth. Through vivid character portrayal and plots, the young readers will understand the importance of oral hygiene and protecting their teeth. At the workshop, children will learn about personal health in a fun setting, with activities including storytelling, role-playing and toothbrushing demonstration.	3-6 years old	Cantonese
	14:00-14:45	Eyes on, Hands on! Interactive Picture Book Workshop	Ms. Kamin	The Family of Fourteen Go Picnicking!	This is a big family with grandpa, grandma, mum and dad and 10 kids. The 14 mice are united and happy together, despite their age differences and different personalities and abilities. In order to survive, they collaborate, give full play to their own strengths, take care of each other, and try to overcome a variety of challenges in life. Game: Parents and children will hang colored strips around the venue to create a colorful setting matching the spring season. They will then walk under these strips together.	4-8 years old	Cantonese
	15:00-16:30	Drawing Time – Let Your Kids' Creative Juice Flow	Ms. Kamin	When Owen's Mom Breathed Fire	Game: Am I giving mommy a busy time or can I be of a little help to her? When the laundry is done, who will hang it? Tie a hemp rope between two walls. Get the pre-made colorful cardboard clothes ready. Children participants will hang the clothes on the rope. They will then find a way to blow off the ribbons. See who can blow off the most ribbons. Handicraft: Love ribbons (愛心裁縫樂)	4-8 years old	Cantonese
	16:45-17:30	Eyes on, Hands on! Interactive Picture Book Workshop	Ms. Kamin	The Moon Above	The big, round moon in the sky looks delicious. How does the moon taste like? Is it sweet or savory? The little turtle is focused on climbing to the top of the mountain. Still it cannot reach the moon. So it seeks help from the elephant, the giraffe and the zebra. They stack on top of one another trying to get close to the moon. Can they manage to taste the moon? The participants will be given bottles that contain different types of smell to imagine the taste of the moon. Game: Among the big and small circles, which one is the real moon? The participants will look for the real thing and bring it back to the sky.	4-8 years old	Cantonese
