Timor Leste is the largest producer of organic and single origin coffee beans in the world. Cultivated and harvested in the most ancient way by only a handful of farmers, on fertile volcanic soil and pristine growing environment, preserving the unique taste and authenticity of a superior Arabica strain called “Tipica”.

Expertly roasted and packed in Macau by local company Café Diliy, in collaboration with MGM, to bring you the freshest cup of drip coffee, showcasing the hallmark of Tipica beans which are fruit, floral, caramel. This aromatic coffee is flavorful yet elegant on the palate, with a long finish.

Our coffee experts are ready to bring you on a journey of discovery, with the V60 method, the best way to bring out the richness and essence of this coffee. Start your day with a cup of nice coffee!
